Office of the City Manager

This work session is dedicated to a meeting with Delta County. The County Commissioners and Administrator will join us to discuss any topics of interest with a focus on those topics that impact both jurisdictions. Council should consider raising any topics of interest. Staff anticipates discussing some of the following:

- Economic Development
- Recreational Tourism
- HWY 50/92 Corridor Study
- Emergency Management
- New areas where we can cooperate
- Possible disconnection (de-annexation)

If you think of other topics you would like to discuss you can send me an email and I can make sure we're prepared. Otherwise, don't hesitate to bring anything to the table on Tuesday.
